The Scent Experience

I tested Amouage Meander by Amouage EAU DE PARFUM SPRAY 3.4 OZ *TESTER for MEN*, and I was blown away by the depth and sophistication of this masterpiece. As soon as I spritzed it, I was enveloped in a rich tapestry of notes, with bergamot and mandarin oil setting the tone for a journey of discovery. The sweetness of saffron and the warmth of cinnamon swirled together, evoking the majesty of the Arabian Peninsula. Amouage Meander is a scent that defies categorization, a true masterpiece that will leave you and those around you in awe.

Longevity & Sillage

As the fragrance unfolded, I was struck by its incredible longevity. Amouage Meander lingered on my skin for hours, leaving a subtle yet unmistakable trail that lingered long after the initial notes had faded. The sillage was impressive, yet not overpowering a testament to the master perfumers at Amouage.
