#6 AU (Boss #6 Eau De Toilette)

The Scent Profile

Tested this magnificent creation, and I was blown away by the sheer intensity of its opening notes. Boss #6 Eau De Toilette begins with a burst of citrusy freshness, evoking the crispness of a winter morning in Riyadh. As the fragrance settles on the skin, the sweet aroma of bergamot and mandarin orange reveals itself, leaving you feeling refreshed and revitalized.

The Middle Notes

As the scent deepens, the rich aroma of lavender and geranium takes center stage, adding a subtle layer of sophistication to this modern masterpiece. I was particularly impressed by the way these notes harmonize with each other, creating a symphony of scents that's both calming and invigorating.

What truly sets Boss #6 Eau De Toilette apart is its remarkable longevity. This fragrance clings to the skin for hours on end, leaving a subtle yet unmistakable trail (sillage) that commands attention.
