Ethereal Allure: Creed Love In White For Summer by Creed EAU DE PARFUM SPRAY 2.5 OZ (NEW PACKAGING) for WOMEN

When I opened the bottle, the room was suddenly bathed in an aura of sophistication and refinement. The mere scent of Creed Love In White For Summer by Creed EAU DE PARFUM SPRAY 2.5 OZ (NEW PACKAGING) for WOMEN whispers sweet nothings to the senses, leaving all who experience it utterly enthralled.

The Scent Experience

As I applied the fragrance, the initial burst of citrusy freshness dissipated, revealing a subtle bouquet of white flowers — jasmine, rose, and orange blossom — that dance delicately around the senses. The sweetness is tempered by a hint of green tea, adding a refreshing, herbaceous depth to the composition. The dry down is a masterclass in subtlety, with a whisper of musk and amber that lingers, teasing the senses and begging for another spritz.

Longevity & Sillage

Creed Love In White For Summer by Creed EAU DE PARFUM SPRAY 2.5 OZ (NEW PACKAGING) for WOMEN is a fragrance that refuses to fade away. It stays close to the skin, releasing its subtle charms in a gentle, slow-motion unfolding that's both captivating and alluring. The sillage, or trail of scent, is moderate, yet the intensity and quality of the fragrance remain consistent throughout its wear.
