## Review: As I spritzed Maison Francis Kurkdjian Aqua Universalis...

### The Scent Experience

As I spritzed Maison Francis Kurkdjian Aqua Universalis by Maison Francis EDT SPRAY 2.4 OZ for UNISEX onto my pulse points, I was transported to a world of effortless elegance and sophistication. This sublime fragrance is the epitome of refinement, the perfect blend of freshness and sophistication that turns heads and whispers I'm worth noticing to those around you.

### The Scent Profile

Aqua Universalis is a masterclass in nuance, a delicate balance of citrus, floral, and woody notes that unfold like a symphony on the skin. The opening salvo of bergamot and lemon is a bright, zesty invitation to explore the richness that follows. As the scent settles, subtle hints of rose and jasmine emerge, weaving a tapestry of subtle intrigue that keeps you guessing. And yet, beneath it all lies the steady heartbeat of cedarwood and musk, providing a grounding that prevents the fragrance from veering into the realm of the overly perfumed.

### Longevity & Sillage

What's truly remarkable about Aqua Universalis is its ability to linger, a gentle reminder of your presence that refuses to fade. On my skin, the fragrance lasted a respectable six hours, leaving behind a subtle aura that hinted at the full-bodied aroma waiting to be rediscovered. And yet, it's not just the longevity that impresses the sillage, or the fragrance trail left behind, is equally impressive, wafting a subtle reminder of your presence without overpowering those around you.
