As I spritzed Roja Isola Blu by Roja Dove PARFUM SPRAY 1.7 OZ for UNISEX onto my pulse points, the room seemed to fade into the background, and all that remained was the intoxicating allure of this sublime scent. Like a whispered secret, it transported me to a world where time stood still, and the only concern was savoring each fleeting moment.

The Scent Profile

Roja Isola Blu is an enigmatic blend of bergamot, lavender, and patchouli, masterfully woven together by the skilled noses at Roja Dove. As the dry down settles in, the scent evolves into a rich, sensual tapestry of amber and musk, leaving a trail of intrigue that beckons you to come back for more.

Longevity & Sillage

I was thoroughly impressed by Roja Isola Blu's impressive staying power – it lingered on my skin for an astonishing 8 hours, gradually morphing into a subtle aura that followed me wherever I went. The sillage, or scent trail left behind, was a mere whisper of its former glory, yet still potent enough to tantalize those around me.
