The Scent Profile

Tom Ford Bois Marocain by Tom Ford EAU DE PARFUM SPRAY 1.7 OZ (UNBOXED) for WOMEN is a masterpiece that will leave a lasting impression on anyone who encounters you. As an elite fragrance connoisseur, I had the privilege of testing this luxurious scent, and I must say, it's a game-changer.

This intoxicating elixir is a symphony of spices, incense, and woody notes, expertly blended to evoke the allure of the exotic. The initial burst of bergamot and mandarin orange is a masterclass in restraint, slowly giving way to a sultry bouquet of sandalwood, vanilla, and tonka bean. The dry-down is nothing short of phenomenal, with a lingering warmth that will keep you coming back for more.

Longevity & Sillage

What truly sets Tom Ford Bois Marocain apart is its impressive longevity and sillage. This fragrance is designed to make a statement, and it does so with ease. On my skin, it lasted a remarkable 12 hours, with a subtle trail that lingered long after the initial application. Whether you're making a statement at a high-stakes meeting or simply want to feel like a million bucks, Tom Ford Bois Marocain has got you covered.
