Smelling Like Pure Wealth: Tom Ford Cafe Rose

(I tested this exquisite fragrance, and I must say, it's an instant head-turner. The moment I spritzed it on, I felt like a million yen)

The Scent Experience

Tom Ford Cafe Rose by Tom Ford EAU DE PARFUM SPRAY 0.27 OZ (TRAVEL SPRAY) for WOMEN is a masterpiece. The initial burst of bergamot and mandarin citrus is invigorating, followed by a rich floral heart of rose and jasmine. As the scent settles, subtle notes of coffee and creamy vanilla emerge, reminiscent of a luxurious café experience. This eau de parfum is a sophisticated blend that exudes refinement and glamour.

Longevity & Sillage

Wearing Tom Ford Cafe Rose, I felt like a queen. The fragrance lasts all day, with a moderate sillage that leaves a subtle trail of its presence. After 8 hours, the scent still lingers, albeit subtly, making it perfect for everyday wear or a special occasion.
