The Seductive Allure of Tom Ford Rose Prick

As I sprayed Tom Ford Rose Prick by Tom Ford EAU DE PARFUM SPRAY 0.27 OZ (TRAVEL SPRAY) for WOMEN onto my pulse points, I felt the air around me thicken with anticipation. This sumptuous elixir is more than just a fragrance it's an experience that whispers sweet nothings to your senses.

The Scent Experience

Tom Ford Rose Prick is a masterclass in balance and restraint. The initial burst of rose petals, velvety smooth and unapologetic, gives way to a symphony of notes: orange blossom, jasmine, and a hint of spice. As the fragrance unfolds, the rose deepens, becoming more sensual and alluring, like a whispered secret in your ear. The dry down is a gentle caress of vanilla and musk, leaving a lingering impression that's equal parts sophistication and seduction.

Longevity & Sillage

I was blown away by the staying power of Tom Ford Rose Prick. This 0.27 oz travel spray may be small, but it packs a punch, lasting several hours and leaving a subtle aura of elegance in its wake. The sillage is noticeable but not overpowering, making it perfect for everyday wear or as a statement piece for a special occasion.
