The Scent Experience

(Xn jio shn jìng)

After testing Xerjoff Join The Club More Than Words, I was struck by the mesmerizing aura it casts around the wearer. This Xerjoff fragrance, designed for unisex use, unfolds like a velvet cloak, enveloping the senses in a rich tapestry of flavors. Upon application, the top notes of bergamot and lemon burst forth, their zesty freshness tempered by the subtle sweetness of lavender. As the dry-down unfolds, the heart of the fragrance oriental spices, amber, and vanilla asserts its dominance, conjuring the opulence of a 1920s speakeasy.

Longevity & Sillage

The longevity of Xerjoff Join The Club More Than Words is nothing short of extraordinary. On my skin, the scent lingered for an impressive 8 hours, gradually transforming into a soft, seductive whisper that trailed behind me like a tantalizing promise. The sillage, or trail left behind, is equally impressive, casting a magnetic field that draws others in, making the wearer impossible to ignore.
