As a fragrance connoisseur, I've had the privilege of sampling some of the world's most exquisite scents. The Scent Experience

Upon application, Xerjoff Zafar wraps itself around your skin with the warmth of a summer breeze. The initial notes of bergamot and mandarin orange burst forth, releasing a cascade of citrusy freshness that invigorates the senses. As the scent unfolds, a subtle accord of spices cumin, coriander, and cardamom adds depth and complexity, evoking the exotic aromas of far-off souks.

The heart of Xerjoff Zafar is where things get truly remarkable. A rich tapestry of florals rose, jasmine, and lily unfurls, bathing your senses in a sumptuous bouquet that's both elegant and alluring. And yet, just when you think it's getting too sweet, the sweetness is tempered by a subtle muskiness that adds a provocative edge.

Longevity & Sillage

Xerjoff Zafar is a fragrance that truly deserves its 'long-lasting' label. On my skin, it lingered for an impressive 8 hours, leaving behind a gentle whisper of its presence. The sillage, too, was impressive people would catch whiffs of the scent as I moved around, and I received more than a few admiring glances.
